Meeting Notes

I. Common Initiatives

- There is a change in the requirements WIA from DOL which may impact the possible funding from DCEO. Cary Minnis will be attending a meeting later in the day and will report back to the group.
- Leveraging Resources
 - Consider including other PIN grantees in the Quarterly Meetings
- Economic Development
 - Mary Pat will forward to the group the notes that she has regarding the Economic Development
 - Other places to look are the Michigan and Florida reports
- Nursing Continuing Education - What do nurses have to do to fulfill the 20 CEU every two years?
 - Regions were not sure of what was being done in each area to assist with this.
 - Follow-up for a survey to see how individuals and institutions are preparing to fulfill this new requirement
- ICN Data
 - NCLEX pass rates are available on the ICN Web site for 2008. 2009’s will be available in February or March
